DECLARING AUGUST 1-7, 1992 AND EVERY YEAR THEREAFTER AS MOTHER AND BABY
FRIENDLY HOSPITAL WEEK

WHEREAS, breastmilk, the best food for infants and nature's first immunization, is the first preventive measure that can ever be given to a human being at birth;

WHEREAS, breastfeeding and rooming-in can help hospitals and other health institutions save by cutting down on expenditures such as the maintenance of formula rooms and nurseries, purchase of feeding bottle sets and milk formulae, electricity, water, and others;

WHEREAS, despite the advantages of breastfeeding, the trends in the practice of breastfeeding in the country have been found to be declining;

WHEREAS, 32 governments, 10 United Nations and other agencies, convened at a Policymakers meeting held on August 1, 1990 developed and adopted the Innocenti Declaration on the Protection, Promotion and Support of Breastfeeding;

WHEREAS, the Baby-Friendly Hospital Initiative was launched worldwide by the World Health Organization and the United Nations Children's Fund with the cooperation of other international non-government organizations;

WHEREAS, there is an increasing number of hospitals in the Philippines being recognized as Baby-Friendly Hospitals which practice rooming-in, encourage breastfeeding, and ban breastmilk substitutes in their premises;

NOW, THEREFORE, I, FIDEL V. PROCLAMATION NO. 347

GRANTING AMNESTY TO REBELS, INSURGENTS, AND ALL OTHER PERSONS WHO HAVE
OR MAY HAVE COMMITTED CRIMES AGAINST PUBLIC ORDER, OTHER CRIMES
COMMITTED IN FURTHERANCE OF POLITICAL ENDS, AND VIOLATIONS OF THE
ARTICLES OF WAR, AND CREATING A NATIONAL AMNESTY COMMISSION

WHEREAS, the peace process, as an anchor of political, economic and social stability and development, has steadily moved forward with the overwhelming acceptance and support of the Filipino people;

WHEREAS, to enhance and hasten the peace process, there is a need to reintegrate, as soon as possible, all rebels and insurgents into the mainstream of society under the rule of law, including those who may have committed unlawful acts in furtherance of their respective political beliefs;

WHEREAS, the grant of amnesty to those who may have committed unlawful acts in pursuit of their political beliefs is one of the six paths to the attainment of a just and lasting peace as recommended by the National Unification Commission;

WHEREAS, amnesty was proclaimed under Proclamation Nos. 10 and 10-A, which proclamations however extended only to those who applied for amnesty under Executive Order No. 350, Series of 1989, and whose applications were processed and ready for action as of 28 July 1992, and who applied for amnesty under Executive Order No. 350 from 28 July 1992 up to 31 December 1992;

WHEREAS, after the lapse of the period for application for the grant of amnesty under Proclamation Nos. 10 and 10-A, many more rebels and insurgents, who may have committed unlawful acts in pursuit of their political beliefs, have returned or expressed their desire and readiness to return to the fold of the law and join the mainstream of Philippine society; and

WHEREAS, there is a need for government to act on rebel and insurgent returnees' request for the grant of amnesty so that they may live in peace in the pursuit of productive endeavors without prejudice to any legal arrangement that may result from a negotiated settlement which the government is pursuing with the various rebel and insurgent groups.

NOW, THEREFORE, I, FIDEL V. RAMOS, President of the Republic of the Philippines, by virtue of the powers vested in me by Section 19, Article VII of the Constitution, do hereby declare and proclaim:

Section 1. Grant of Amnesty. – Amnesty is hereby granted to all persons who shall apply therefor and who have or may have committed crimes, on or before thirty (30) days following the publication of this Proclamation in two (2) newspapers of general circulation, in pursuit of political beliefs, whether punishable under the Revised Penal Code or special laws, including but not limited to the following: rebellion or insurrection; coup d'état; conspiracy and proposal to commit rebellion, insurrection or coup d'état; disloyalty of public officers or employees; inciting to rebellion or insurrection; sedition; conspiracy to commit sedition; inciting to sedition; illegal assembly; illegal association; direct assault; indirect assault; resistance and disobedience to a person in authority or the agents of such person; tumults and other disturbances of public order; unlawful use of means of publication and unlawful utterances; alarms and scandals; illegal possession of firearms, ammunition or explosives, committed in furtherance of, incident to, or in connection with the crimes of rebellion or insurrection and violations of Articles 59 (desertion), 62 (absence without leave), 67 (mutiny or sedition), 68 (failure to suppress mutiny or sedition), 94 (various crimes), 96 (conduct unbecoming an officer and a gentleman), and 97 (general article) of the Articles of War; Provided, that the amnesty shall not cover crimes against chastity and other crimes committed for personal ends.

Section 2. Effects. – (a) Amnesty under this Proclamation shall extinguish any criminal liability for acts committed in pursuit of a political belief, without prejudice to the grantee's civil liability for

injuries or damages caused to private persons. The grant of amnesty shall also effect the restoration of civil or political rights suspended or lost by virtue of criminal conviction.

(b) The amnesty herein proclaimed shall not *ipso facto* result in the reintegration or reinstatement into the service of former Armed Forces of the Philippines and Philippine National Police personnel. Reintegration or reinstatement into the service shall continue to be governed by existing laws and regulations; *Provided*, however, that the amnesty shall reinstate the right of AFP and PNP personnel to retirement and separation benefits, if so qualified under existing laws, rules and regulations at the time of the commission of the acts for which amnesty is extended, unless they have forfeited such retirement and separation benefits for reasons other than the acts covered by this Proclamation.

Section 3. Firearms. – The surrender of firearms, ammunitions and explosives shall not be a condition for amnesty. Applicants for amnesty may surrender their firearms within sixty (60) days from the effectivity of this Proclamation without incurring liability for illegal possession thereof. The Government shall continue to encourage rebels and insurgents to turn-in firearms, ammunition and explosives which may be in their possession.

Section 4. National Amnesty Commission. – There is hereby created a National Amnesty Commission, hereinafter referred to as the Commission, which shall be primarily tasked with receiving and processing applications for amnesty, and determining whether the applicants are entitled to amnesty under this Proclamation. Final decisions or determinations of the Commission shall be appealable to the Court of Appeals.

Pursuant to its functions, the Commission shall be authorized to:

Administer oaths, summon witnesses and require the production of documents by subpoena duces tecum; *Provided*, that the testimonies of the applicant and his witnesses for a grant of amnesty, and any evidence presented by him before the Commission not otherwise, available to the prosecution, shall not be used as evidence against the applicant in any other proceeding where the amnesty is not in issue, except for perjury committed in so testifying;

Promulgate rules and regulations subject to the approval of the President;

(c) Call on any Government office, body, agency, instrumentality, council and commission to render assistance in the efficient and effective implementation of its functions;

Constitute Local Amnesty Boards in such provinces, cities, and municipalities as may be necessary; and

(e) Perform such other functions necessary for the proper implementation of this Proclamation as may be authorized by the President.

The Commission shall be composed of seven (7) members: a chairperson and three (3) regular members to be appointed by the President; the Secretary of Justice, the Secretary of National Defense and the Secretary of the Interior and Local Government as ex-officio members.

The amounts necessary for the operational and administrative expenses of the Commission shall be funded from the budget of the Office of the President.

The term of the Commission shall expire upon the completion of its assigned tasks as may be determined by the President.

Section 5. Who May Apply. – All persons who have or may have committed the crimes enumerated in Section 1, within the period prescribed therein, including those detained, charged, or convicted for the commission of the same crimes, may apply with the Commission for the grant of amnesty.

Section 6. **Application Period.** – Applications for the grant of amnesty shall be filed under oath with the Commission within six (6) months from the effectivity of this Proclamation.

Section 7. **Effectivity.** – This Proclamation shall take effect upon concurrence by a majority of all the Members of the Congress.

PROCLAMATION NO. 720
DECLARING THE TWENTY-FIFTH OF FEBRUARY 1996 AND EVERY
YEAR THEREAFTER AS THE NATIONAL ECUMENICAL DAY
OF PRAYER AND RECONCILIATION

WHEREAS, recognizing the supreme authority and just government of the Almighty God in all the affairs of men and of nations, it is but fitting for all to set apart a day for National Prayer and Reconciliation;

WHEREAS, it is the duty of nations, and of men, to own their dependence upon the overruling power of God, to admit their transgressions in humble sorrow, yet with fervent hope that genuine repentance will lead to God's mercy and pardon, and to recognize the sublime truth, announced in the Holy Word;

WHEREAS, we are blessed with a bountiful country and we have grown in numbers, but we have forgotten God. We have forgotten that gracious hand which preserves us, multiplies and strengthens us; and we have vainly imagined, in the deceitfulness of our hearts that all the blessings we have were produced by some superior wisdom and virtue of our own. Let us humble ourselves before God who has made us, to confess our national sins, to pray for clemency and forgiveness, and to profess our faith in the words of the Holy Scriptures:

"And if my people, upon whom my name has been pronounced, humble themselves and pray and seek my presence and turn from their evil ways, I will hear them from heaven and pardon their sins and revive their land." (2 Chronicles 7:14)

WHEREAS, we, as a nation, will commemorate on February 25, 1996 the Tenth Anniversary of that miracle now enshrined in our history as the People Power Revolution of February 1986, which event is but another manifestation of the Almighty's unseen hand in guiding the affairs of men.

NOW, THEREFORE, I, FIDEL V. RAMOS, President of the Republic of the Philippines, ever mindful of the Almighty's grand design in our People Power Revolution, and in our daily affairs, do hereby designate the Twenty-Fifth day of February effective this year and every year thereafter as the National Ecumenical Day of Prayer and Reconciliation.

And I do hereby implore all our People to abstain on that day from their secular pursuits, and to congregate, at their places of worship or their respective homes, in keeping the day holy to the Lord, there to render such homage and confessions, and to offer to Him such supplications for the attainment of true and lasting harmony for all.

All this being done, in sincerity and truth, let us then rest humbly in the hope professed by the Divine teachings, that the united voice of the nation shall be heard on high, and answered with God's blessings and pardon of our sins, and that He shall bestow upon our country His everlasting gifts of peace and unity.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the seal of the Republic of the Philippines to be affixed.

PROCLAMATION NO. 765

**SUPPLEMENTING PROCLAMATION NO. 542 ON THE OLD BILIBID COMPOUND
URBAN RENEWAL AND INFRASTRUCTURE DEVELOPMENT PROJECT**

WHEREAS, in response to current and urgent public needs, Proclamation No. 542 dated February 28, 1995 authorized the renewal and development of the badly blighted but very prime patrimonial property of the National Government known as the Old Bilibid Compound, with an area of 6.2 hectares, at the corner of Quezon Boulevard and Claro M. Recto Avenue in downtown Manila, into a modern and efficient residential and commercial complex, anchored by an intermodal transport terminal for the converging busy thoroughfares and elevated rail transits, the LRT1 and the prospective LRT2 and LRT4, in the area;

WHEREAS, Proclamation No. 542 likewise designated the Public Estates Authority (PEA) as the principal agency responsible for the administration, management and development of this pioneering landmark project, pursuant to its charter, demonstrated capability, and its feasibility and planning studies undertaken on the Project, called the Old Bilibid Compound Urban Renewal and Infrastructure Development Project (the "Project");

WHEREAS, Act No. 3984 approved on 3 December 1932 authorizes the President of the Philippines (formerly Governor-General) to sell the lands, buildings, and improvements comprising the Old Bilibid Prison Compound and Section 76 of Presidential Decree No. 1445 also allows the transfer of properties no longer serviceable or needed by the government agency to which it belongs to another agency without cost;

WHEREAS, the PEA studies indicate the need for a much bigger site for the Project than the Old Bilibid Compound property, to include the adjoining properties at least within the block bounded by Quezon Boulevard, Claro M. Recto Avenue, Oroquieta and V.E. Fugoso Street, all in dire need likewise of renewal, to support a financially viable and truly meaningful deslumming and development of a Metro Manila core transport terminal and habitation for business workers and residents in the area, including students in the neighborhood schools;

WHEREAS, the other properties inside the city block needed for the initial Project site consist of two smaller patrimonial properties of the National Government, the sites of Central Market 0.8 hectare, and the Dr. Jose Fabella Memorial Hospital 1.1 hectares, while the rest are owned or held by private parties, which should be consolidated for the Project site;

WHEREAS, as planned by PEA, the huge funding requirements of the Project will be sourced from private sector investments through securitization of the Project and issuance of project-backed securities, a capital formation method whose legality and market acceptability have been tested in other big projects of the Government;

WHEREAS, the Project implementation involves problems and requirements which need the functional prerogatives and support of various Government agencies, which in the public interest are hereby enjoined to be done, clarified and strengthened.

NOW, THEREFORE, I, FIDEL V. RAMOS, President of the Philippines, by virtue of the powers vested in me by law, and for the purpose of promoting and aiding the public interest by the expeditious and effective implementation of the Old Bilibid Compound Urban Renewal and Infrastructure Development Project in downtown Manila, and by way of supplementing the authorities and directives contained in Proclamation No. 542 dated 28 February 1995, do hereby authorize and direct:

Public Estates Authority:

a) To generate the developmental funds needed for the Project from private sector investments through Project securitization and issuance of Project-backed certificates, in accordance with the Project

Business and Financial Plans, legal requirements of full public disclosure and protection of investors and market-oriented terms.

b) To represent and act for the Republic of the Philippines or the Government and to execute and sign the corresponding contracts and agreements for any and all conveyances, dispositions and dealings of the patrimonial properties involved in the Project or any portions, interest, improvements, increments and products of such properties.

c) In connection with the securitization of the Project, to act as the trustor in the execution of the asset pool trust agreement and conveyance of the patrimonial properties involved to the asset pool trust, through the trustee bank, for purposes of the securitization objectives of development and revenue generation.

d) To work out and coordinate with the DENR and subordinate offices concerned for the relocation survey and issuance of the appropriate muniments of title in the name of the Republic of the Philippines for the Old Bilibid Compound property and other patrimonial properties involved in the Projects as may be found necessary.

e) To devise, together with the Home Insurance and Guaranty Corporation and other parties concerned, a suitable guaranty mechanism and other enhancers for the Project-backed securities which will be issued and thus promote private sector financing and involvement in the vital, transit-anchored urban renewal and development Project.

f) To provide for the expeditious relocation and construction of new and adequate facilities for the Manila City Jail from the Old Bilibid Compound to Camp R. Papa in Bicutan, Taguig, Metro Manila, in consultation and agreement with the Department of Interior and Local Governments and its subordinate agencies/offices concerned, particularly with respect to the specific site, design and specifications of buildings, detention and other facilities, as well as transfer schedules and procedures, all at the expense of PEA chargeable as Project costs.

g) To include the physical upgrading and use of the sites of the Central Market and the Dr. Jose Fabella Memorial Hospital in the Project masterplan and implementation, and coordinate and reasonably agree with the City of Manila and the Department of Health regarding the respective designs, construction schedules, operations and other concerns pertaining to the new market and hospital.

h) To consolidate and acquire all such privately owned or held real estate properties as may be deemed needed to achieve the project objectives in the public interest, by negotiated purchase according to reasonable and market-dictated values or otherwise through expropriation in the name of the Republic of the Philippines chargeable to the Project funds.

i) To include in the Project the upgrading and construction of dormitory facilities to service students of the neighborhood schools on such sites as may be deemed appropriate and accordingly consolidated into the Project area.

j) To account and turnover, after the final completion of the Project, to the Department of Environment and Natural Resources for its proper disposition, particularly for the benefit of other urban renewal efforts, all the residual funds and other assets after having deducted all Project costs and commitments from the Project inflows, real estate properties and products, which inflows will in the interim take on the private nature of funds invested in the Project and the business orientation of the resulting trusted asset pool funds, which thus should be accounted and treated as private funds.

2. Department of Environment and Natural Resources:

a) To promote and support the Project to be undertaken in accordance with Masterplan, Business and Financial Plans prepared and submitted by PEA, thus in effect, clarifying and confirming the grant of adequate powers to PEA to deal with the Old Bilibid Compound and other patrimonial properties involved in the Project according to the said Plans, such as to source developmental funds through securitization, to convey the Government properties in trust to the asset pool and to dispose of or

otherwise deal with such properties, their improvements and products, in accordance with the approved Business Plan.

b) To cause the location survey and issuance of special patents or other appropriate documents in the name of the Republic of the Philippines for the Old Bilibid Compound and other patrimonial properties involved in the Project.

3. Home Insurance and Guaranty Corporation

To design, together with the PEA and other parties concerned, and extend the appropriate guaranty mechanisms for the Project-backed securities which will be issued for the Project and its component units or by-projects, which are transport system and shelter related, pursuant to the HIGC charter powers and functional precedents, as well as its expanded powers granted by Republic Act No. 7279, known as the Urban and Housing Development Act of 1992.

LAUNCHING THE NATIONWIDE MEASLES ELIMINATION CAMPAIGN ON SEPTEMBER
1997

WHEREAS, affirming the commitment to give high priority to child survival, protection and development;

WHEREAS, reaffirming the commitment to the Universal Child Immunization goal and eradication or eventual elimination of diseases that continue to affect children;

WHEREAS, aware that measles is a highly transmissible disease, affecting all age groups but mostly infants and very young unimmunized children and that it also causes complications resulting in death, blindness and malnutrition;

WHEREAS, learning from the successes of the national mass immunization campaigns for poliovirus eradication;

WHEREAS, realizing that sustaining high basic routine immunization coverage of infants, while providing supplemental booster vaccinations during mass campaigns are effective measles reduction and elimination measures as demonstrated in other countries especially the Latin American nations;

WHEREAS, affirming that the Department of Health has the necessary resources for the nationwide measles reduction and control campaigns to meet the vaccination of infants and children ages 9 months to less than 15 years old.

NOW, THEREFORE, I, FIDEL V. RAMOS, President of the Philippines, by virtue of the powers vested in me by law, do hereby declare the start of the Philippine Measles Elimination Campaign, “Iligtas si Baby sa Tigdas” on September 1997.

To achieve the goals of measles elimination:

1. The local government units should take the lead in implementing the local strategies for the campaign such as:

1.1 exert special effort to find and immunize every Filipino infant with the basic routine dose of measles vaccine at 9-12 months wherever he or she may be.

1.2 give supplemental “catch up” vaccination to all children aged 12 months to below 15 years old regardless of immunization status or reported history of measles infection. Anti-measles vaccine (AMV) immunization coverage should be 100% in each barangay. This will thus mean active masterlisting.

1.3 give periodic “follow-up” mass measles immunizations according to the Department of Health (DOH) guidelines.

1.4 improve the surveillance system for measles cases consisting of:

* adoption of standard case definition for measles

* active and timely reporting of measles cases

* establishment of facilities for laboratory confirmation of measles

1.5 the local government unit shall closely coordinate with the DOH in the timely and effective investigation and control of measles outbreak.

2. The Department of Education, Culture and Sports (DECS), in collaboration with DOH, shall conduct measles vaccination in all primary and secondary schools both private and public.

3. The Department of Health (DOH) is hereby designated to act as the lead agency to coordinate and draft the necessary guidelines for the proper implementation of this project.

As lead agency, the DOH can tap the assistance of other government agencies, non-governmental and private sectors, local government units, civic and religious groups, international organizations and other concerned sectors whenever necessary.

This campaign and collaboration shall continue from hereon to ensure that measles remains under control until it is eventually eliminated or eradicated.

PROGRAM OF THE DEPARTMENT OF AGRICULTURE

WHEREAS, food security remains an important national issue;

WHEREAS, continued efficient fertilizer use is necessary to sustain food supply to feed the population which is expected to double in 25 years;

WHEREAS, there is a need to correct the dismal situation wherein fertilizer sales for the last 15 years have more than doubled yet the yield for rice and corn have barely increased;

WHEREAS, the decline in the rate of increase in productivity has been attributed to excessive depletion of soil nutrients in disproportionate quantities leading to nutrient imbalances;

WHEREAS, the appropriate mix of inorganic and organic fertilizers is recognized as a potent strategy in order to make available most if not all of the essential nutrients needed by plants;

WHEREAS, there is a need to restructure the existing practices into location specific balanced fertilizer recommendations which incorporate the use of inorganic and organic fertilizers;

WHEREAS, the balanced fertilization strategy could jumpstart and increase the yield from 3 MT to 5 MT per hectare under the Gintong Ani Program of the Department of Agriculture.

NOW, THEREFORE, I, FIDEL V. RAMOS, President of the Philippines, by virtue of the powers vested in me by law, do hereby authorize the Department of Agriculture and its instrumentalities to adopt the Balanced Fertilization Strategy and perform the following:

- 1 To disseminate guidelines for strategic distribution of appropriate fertilizers which are affordable, with the end in view of increasing rice and corn yields from 3 MT to 5 MT per hectare and 2 MT to 4 MT, respectively, which increase could be sustained through the season and will not cause depletion of our natural resources.
- 2 To provide the necessary forum for cooperative efforts with local government units, non-government organizations, the private sector and other entities involved in the efficient production and distribution of organic and inorganic fertilizers for the furtherance of the program.
3. To provide for the redirection of Research and Development on Balanced Fertilization Strategy as well as on the economics of fertilizer usage and to make other necessary studies on the appropriate quality and quantity of fertilizer with the end view of ensuring maintenance of soil productivity over long period of use.
- 4 To promote the Balanced Fertilization Strategy jointly with the Integrated Pest Management and synchronous planting as the country's Integrated Crop Management approach that will ensure improvement in crop yields and reduce traditional losses from pests and diseases as well as inefficient use of irrigation facilities.
- 5 To establish a Fertilizer Watch System at national, regional, provincial and municipal levels to monitor and evaluate the quantity and quality of all commercial fertilizers and to do any act which will ensure the success of the Program.

MALACAÑANG
MANILA

BY THE PRESIDENT OF THE PHILIPPINES

PROCLAMATION NO. 1109

DECLARING THE MONTH OF NOVEMBER OF EVERY YEAR AS CLEAN AIR MONTH
THROUGH NATIONAL VEHICLE INSPECTION AND MAINTENANCE CONSCIOUSNESS

WHEREAS, the pollution of the air in rapidly urbanizing areas, particularly in Metro Manila, the home of about 9.5 million people as of 1995 estimates, has reached levels that adversely affect human health and public welfare and calls for more aggressive efforts to reduce emissions in the air;

WHEREAS, air pollution is caused by increased emissions of carbon monoxide, volatile organic compounds, oxides of nitrogen and sulfur and particulate matter from sources that burn fuels for energy;

WHEREAS, motor vehicles which were estimated to have produced almost 65 million metric tons of pollutants in 1993, account for the majority of total airborne pollutants in Metro Manila;

WHEREAS, the almost 2.6 million motor vehicles nationwide, 43% of which are in Metro Manila, continue to grow in number at about 8% per year, threatening to consume more fuel and to emit more toxic gases into the atmosphere;

WHEREAS, although technological advances in engine design, pollution devices and fuels have continued to develop, the motorist's neglect of his vehicle's maintenance remains a major contributor to the rise in vehicle emission;

WHEREAS, engine malfunctions that contribute to excessive pollution can be corrected often with simple maintenance, resulting in substantial emission reduction and fuel savings;

WHEREAS, there is a need to create awareness among the motoring public regarding the importance and benefits of vehicle maintenance;

NOW, THEREFORE, I, FIDEL V. RAMOS, President of the Philippines, by virtue of the powers vested in me by law, do hereby declare the month of November of every year as "Clean Air Month Through National Vehicle Inspection and Maintenance Consciousness". In connection therewith, I hereby allocate the amount of TWO MILLION PESOS (P2,000,000.00) annually from the Social Fund of the Office of the President for the planning and implementation of a nationwide awareness program that will promote the need to curb exhaust pollutants from on-road motor vehicles by maintaining them in good working condition. I further enjoin all motorists, concerned civic and non-governmental organizations and government offices to actively participate in this annual effort.

All government vehicles, including vehicles of government owned and controlled corporations and of local government units shall, on this month of November, be subjected to rigorous emission inspection and proper maintenance operation conducted. Henceforth, any government vehicle apprehended for smoke-belching shall be the responsibility and liability of the concerned Department Secretary or head of government owned or controlled corporation or government agency or local government unit.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the SEAL of the Republic of the Philippines to be affixed.

DONE in the City of Manila, this 22nd day of October, in the year of Our Lord, Nineteen Hundred and Ninety-Seven.

Further, these areas are hereby reserved for environmental protection purposes.

The Department of Environment and Natural Resources shall retain jurisdiction over the portions covered by public land applications. All vested rights inside the reservation shall be respected.

FROM THE BICOL REGION TOURISM MASTER PLAN**

WHEREAS, the Bicol Region Tourism Master Plan (BRTMP) serves as the blueprint for the development and promotion of tourism in the Bicol Region, the implementation of which will generate livelihood and employment opportunities therein;

WHEREAS, the BRTMP embraces mineral resource-rich areas found in the Island of Cagraray, Albay Province;

WHEREAS, the inclusion of these mineral resource-rich areas in the BRTMP precludes the utilization and development of the island's mineral resources and caused the cessation of exploratory mining and related activities, thereby depriving investors of the return on their investments and the local residents of employment opportunities;

WHEREAS, the sustainable development and utilization of natural resources, which includes mineral resources, is being promoted and encouraged by the government in accordance with the Philippine Mining Act (RA No. 7942, s. 1995);

SECTION 2. *Resumption of Mining and Related Activities.* Mining and related activities that were stopped in the mineral resource-rich areas included in the coverage of the BRTMP may be allowed to resume upon the certification by the Region V Mines and Geo-sciences Bureau, Provincial Government of Albay and Municipal Government of Bacacay that the said areas are within the mineral source-rich areas delineated in accordance with the provisions of Section 1 above, and upon the completion of pertinent requirements pursuant to existing laws, rules and regulations.

SECTION 3. *Exclusion of Certain Areas from Mining and Related Activities.* The Regional Technical Working Group shall determine the areas within the delineated mineral resource-rich areas that need to be protected from mining and related-activities for, among others, their tourism, ecological, archeological values/significance. 3. Low density residential houses, commercial buildings, parks and outdoor recreation establishments where the land use has been designated for such purposes provided that technical studies prove its suitability.
